01 | SCALLOP SHELL - PREVIOUS OPTION

Fan-like circulation and curved landscape ribs extending into the side gardens.

02 | TURTLE CARAPACE - REVISED

Axial scutes, balanced central rooms and larger connected planting masses.

03 | STARFISH

Five circulation directions connect landscape rooms around a central gathering space.

04 | CHAMBERED NAUTILUS

Graduated curved chambers, open whorls and crescent water gardens.

05 | BRANCHING CORAL

Organic branching routes link planted masses and water gardens.

06 | SAND DOLLAR

Five paired oval bands around a water focus with peripheral circulation.
